## PROFILE

Kenneth Watts is a Theatre Artist with a love for story telling. He has been surrounded by people who encourage and share his love for the arts, for that he feels very fortunate.

Kenneth is passionate about the need and craving of the human spirit for storytelling. His favorite way to contribute to a production is Costume and Scenic Design. He loves pushing a story further through these mediums! Kenneth brings a unique perspective to design because he empathizes with the characters and their situations. His designs have been described as "imaginative" and "original". He is a valuable asset to any design team!
